## A BARGAIN In a Thousand!

## WOMEN'S SWELL '3 'Hand-Welt' BOOTS, \$2.49

EVERYBODY knows that a genuine Hand-Welt Boot cannot be sold as a regular thing for \$2.49—this is the usual price of a cheap machine-sewed shoe—and the bargain we offer you tomorrow is an offering in a thousand. We are conducting a "circumstance" shoe campaign this fall and extraordinary values like this are simply leaders to lay the foundation for the biggest year's business in our history.

We give you choice tomorrow of a very extensive assortment of Women's Genuine Hand-Welt Boots and Kid Boots. In button or lace—with kid or patent tips. A swell, up-to-date shoe that would be cheap at \$3 and would not be high at \$2.50. For this once—and only for this one day—we make them to you at **\$2.49**
